Daddy Sang Bass

Johnny Cash

I re- [D] member when I was a [D7] lad
Times were [G] hard and things were [D] bad
But there's a silver linin' be- A7/ hind E7/ every [A7] cloud
Just poor [D] people that's all we [D7] were
Try'n' to make a [G] livin' outta blackland [D] dirt
We'd get to- [D] gether in a family [A7] circle singin' [D] loud
Daddy sang [D] bass momma sang [D7] tenor
Me and little [G] brother would join right [D] in there
Singin' seems to A7/ help a E7/ troubled [A7] soul....
One of these [D] days and it won't be [D7] long
I'll re- [G] join them in a [D] song
I'm gonna join the family [A7] circle at the D/ throne G/ [D]

No the [D] circle won't be [D7] broken
Bye and [G] bye, Lord, bye and [D] bye
Dadd'll sing [D] bass, mom'll sing [D7] tenor
Me and little [G] brother will join right [D] In there
In the sky, Lord, [A7] in the [D] sky

Now I re- [D] member after [D7] work
Momma would [G] call in all of [D] us
You could hear us singin' A7/ for a E7/ country [A7] mile
Now, little [D] brother has done gone [D7] on,
But I'll re- [G] join him in a [D] song
We'll be together again up [A7] yonder in a little [D] while
Daddy sang [D] bass momma sang [D7] tenor
Me and little [G] brother would join right [D] in there
Singin' seems to A7/ help a E7/ troubled [A7] soul....
One of these [D] days and it won't be [D7] long
I'll re- [G] join them in a [D] song
I'm gonna join the family [A7] circle at the D/ throne G/ [D]

No the [D] circle won't be [D7] broken
Bye and [G] bye, Lord, bye and [D] bye
Dadd'll sing [D] bass, mom'll sing [D7] tenor
Me and little [G] brother will join right [D] In there
In the sky, Lord, [A7] in the D sky
