

Glory Days

Bruce Springsteen

[C] [F] [C] [F]

[C] I had a friend was a [F] big baseball player [C] back in high [F] school
He could [C] throw that speedball [F] by ya, [C] make you look like a [F] fool
boy

[G] Saw him the other night at this roadside bar I was [F] walking in he was
walking out [F]

[G] We went back inside, sat down, had a few drinks, [F] but all we kept
talking [G] about

Glory [C] Days, yeah they'll [F] pass you by

Glory [C] Days, in the wink of a [F] young girl's eye

Glory [C] Days, glory [G] days [C] [F]

There [C] was a girl that [F] lives up the block [C] back in school she could
turn all the boys [F] heads

[C] Sometimes on Friday I'll stop [F] by and have a few drinks [C] after she
put her kids to [F] bed

[G] Her and her husband Bobby, well they split up, [F] I guess it's two years
gone by [F]

[G] We just sit around talking about the old times; she says [F] when she
feels like crying she starts [G] laughing thinking about

Glory [C] Days, yeah they'll [F] pass you by

Glory [C] Days, in the wink of a [F] young girl's eye

Glory [C] Days, glory [G] days [C] [F]

[C] Think I'm going down to the [F] well tonight and I'm gonna [C] drink till I
get` my [F] fill

I [C] hope when I get older I don't [F] sit around thinking about it, [C] but I
probably [F] will

[G] Yeah just sitting back trying to recapture [F] a little of the glory of
Well the [G] time slips away and leaves you with nothing, mister, but [F]
boring stories [G] of

Glory [C] Days, yeah they'll [F] pass you by

Glory [C] Days, in the wink of a [F] young girl's eye

Glory [C] Days, glory [G] days [C] [F] [C] [F] C
