

# Heartbreak Hotel

*Elvis Presley*

**Teaching Point:** To play EbMaj7 (at the end of the song) simply slide E chord up one, then back

Well, **E** since my baby left me, **E E** I **E** found a new place to dwell. **E E**  
It's **E7** down at the end of lonely street at **[E7]** heartbreak hotel. Well I'll be  
**[A7]** I've been so lonely baby, well, I'm so lonely,  
**[B7]** I'm so lonely, I could **[E]** die.

And al- **E** though it's always crowded **E E** you **E** still can find some room **E E**  
For **E7** broken hearted lovers to **[E]** cry away their gloom.  
**[A7]** They've been so lonely baby, they'll be so lonely,  
**[B7]** They'll be so lonely, they could **[E]** die.

Now, the **E** bell hop's tears keep flowin' **E E**  
And the **E** desk clerk's dressed in black **E E**  
Well they've **E7** been so long on lonely street  
They **[E7]** never ever look back.  
**[A7]** They'll make you so lonely baby, they'll make you so lonely,  
**[B7]** Well they're so lonely, they could **[E]** die.

Well, **E** if your baby leaves you, and you **E** got a tale to tell.  
Well, **E7** just take a walk down lonely street to **[E]** heartbreak hotel.  
**[A7]** They'll make you so lonely baby, where you will be lonely,  
**[B7]** You'll be so lonely, you could **[E]** die.
