Bruce Springsteen

[F] [Bb] [C] [F] [F] [Bb] [C] [F]
[F] Old Dan Tucker was a [Bb] fine old man
[C] Washed his face in a [F] fryin' pan
[F] Combed his hair with a [Bb] wagon wheel
And [C] died with a toothpick [F] in his heel
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**

[F] Old Dan Tucker is [Bb] come to town
[C] Ridin' a billy goat, [F] leadin' a hound
[F] Hound dog barked and [Bb] billy goat jumped
[C] Landed Dan Tucker on [F] top of a stump
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**

[F] Now Old Dan Tucker sat [Bb] on a truck
[C] Fell in the fire and [F] kicked up a jump
[F] A red-hot coal got [Bb] in his shoe
[C] Oh my Lord how the [F] ashes flew
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**

[F] Now Old Dan Tucker is [Bb] come to town
[C] Swinging the ladies [F] round and round
[F] First to the right and [Bb] then to the left
[C] Then to the girl that [F] he loves best

[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**
[F] **Get out the way, [Bb] Old Dan Tucker**
[C] **You're too late to [F] get your supper**
