## Dancing In The Dark

[D] [Bm] [D] [Bm] [D] [Bm] [D] [Bm]

[D] I get up in the [Bm] evening [D] and I [Bm] ain't got nothing to [D] say  
I come home in the [Bm] morning [D] I go to bed [Bm] feeling the same way

[G] I ain't nothing but [Em] tired

[G] Man I'm just [Em] tired and bored with my- [D] self

Hey there [Bm] baby, [D] I could [Bm] use just a little [A] help

**You can't start a [A] fire you can't start a fire without a [G] spark**

**This gun's for [Em] hire [G] even if we're just [Em] dancing in the [D] dark**

[D] Message keeps getting [Bm] clearer

[D] Radio's on and I'm [Bm] moving 'round the [D] place

I check my look in the [Bm] mirror

[D] I wanna change my [Bm] clothes, my hair, my [G] face

Man I ain't getting [Em] nowhere [G] I'm just [Em] living in a dump like [D] this [D]  
there's something happening [Bm] somewhere

[D] Baby I [Bm] just know that there [A] is

**You can't start a [A] fire you can't start a fire without a [G] spark**

**This gun's for [Em] hire [G] even if we're just [Em] dancing in the [D] dark [Bm]**

[D] [Bm]

[Bm] **You sit around getting [D] older**

[G] **There's a joke here some- [A] where and it's on [Bm] me**

**I'll shake this world off my [D] shoulders**

[G] **Come on baby this [A] laugh's on me**

[D] Stay on the streets of [Bm] this town

[D] And they'll be [Bm] carving you up al - [D] right

They say you **gotta** stay [Bm] hungry

[D] Hey baby, I'm [Bm] just about starving to - [G] night

I'm dying for some [Em] action

[G] I'm sick of sitting [Em] 'round here trying to write this [D] book

I need a love re- [Bm] action

[D] Come on now baby [Bm] gimme just one [A] look

**You can't start a [A] fire you can't start a fire without a [G] spark**

**This gun's for [Em] hire [G] even if we're just [Em] dancing in the [A] dark**

**You can't start a [A] fire worrying about your little world falling a- [G] part this  
gun's for [Em] hire**

[G] **Even if we're just [Em] dancing in the [D] dark [D]**

[G] **Even if we're just [Em] dancing in the D dark**

## Glory Days

[C] [F] [C] [F]

[C] I had a friend was a [F] big baseball player [C] back in high [F] school

He could [C] throw that speedball [F] by ya, [C] make you look like a [F] fool boy

[G] Saw him the other night at this roadside bar I was [F] walking in he was walking out [F]

[G] We went back inside, sat down, had a few drinks, [F] but all we kept talking [G] about

Glory [C] Days, yeah they'll [F] pass you by

Glory [C] Days, in the wink of a [F] young girl's eye

Glory [C] Days, glory [G] days [C] [F]

There [C] was a girl that [F] lives up the block [C] back in school she could turn all the boys [F] heads

[C] Sometimes on Friday I'll stop [F] by and have a few drinks [C] after she put her kids to [F] bed

[G] Her and her husband Bobby, well they split up, [F] I guess it's two years gone by [F]

[G] We just sit around talking about the old times; she says [F] when she feels like crying she starts [G] laughing thinking about

Glory [C] Days, yeah they'll [F] pass you by

Glory [C] Days, in the wink of a [F] young girl's eye

Glory [C] Days, glory [G] days [C] [F]

[C] Think I'm going down to the [F] well tonight and I'm gonna [C] drink till I get' my [F] fill

I [C] hope when I get older I don't [F] sit around thinking about it, [C] but I probably [F] will

[G] Yeah just sitting back trying to recapture [F] a little of the glory of Well the [G] time slips away and leaves you with nothing, mister, but [F] boring stories [G] of

Glory [C] Days, yeah they'll [F] pass you by

Glory [C] Days, in the wink of a [F] young girl's eye

Glory [C] Days, glory [G] days [C] [F] [C] [F] C

## I'm On Fire

*slow* [C] Oh [D] I'm on G fire

[G] Hey little girl, is your daddy home

Did he go and leave you all alone [C]

I've got a bad de- [Em] sire, [Em] [C] Oh [D] I'm on [G] fire [G]

[G] Hey little girl, is your daddy home did he go and leave you all alone [C]

[C] I've got a bad de- [Em] sire, [Em]

[C] Oh [D] I'm on [G] fire [G]

[G] Tell me now baby, is he good to you and can he do to you the things that I do

[C]

[C] I can take you [Em] higher, [Em]

[C] Oh [D] I'm on [G] fire

[G] [Em] [Em] [G] [G] [Em]

[Em] Sometimes it's like [C] someone took a knife baby, edgy and dull

And cut a [Em] six inch valley [D] through the middle of [C] my skull [C]

[G] At night I wake up with the sheets soaking wet

And a freight train running through the middle of my head, and [C] you

[C]

You cool my de- [Em] sire, [Em]

[C] Oh [D] I'm on [G] [G] fire [C] Oh [D] I'm on [G] fire [G]

## Jersey Girl

**[C] [G] [C] [G]**

**[C]** I got no time for the **[G]** corner boys, down in the streets making **[C]** all that noise

Or the girls out on the **[G]** avenue 'cause tonight I want to **C/** be **Cmaj7/** with **[C7]** you

Tonight I'm gonna **[F]** take that ride, across the river to the **[C]** Jersey side

Take my baby to the **[G]** carnival, and I'll take her on **C/** all **Cmaj7/** the **[C7]** rides

`Cause down the shore every- **[F]** thing's alright

You and your baby on a **[C]** Saturday night, you know all my **[G]** dreams come true when I'm walking down the **C/** streets **Cmaj7/** with **[C7]** you

**Sha la la la [F] la la la sha la la la la la [C] la la la**

**Sha la la la la [G] la la la sha la la la I'm in C/ love with a Cmaj7/ Jersey [C7] girl**

**Sha la la la [F] la la la sha la la la la la [C] la la la**

**Sha la la la la [G] la la la sha la la la [C]**

**[C]** You know she thrills me with **[F]** all her charms

When I'm wrapped up in my **[C]** baby's arms

My little girl gives me **[G]** everything

I know that some day **C/** wear **Cmaj7/** my **[C7]** ring

So don't bother me man I **[F]** ain't got no time

I'm on my way to see that **[C]** girl of mine

`Cause nothing matters in this **[G]** whole wide world

When you're in love with a **C/** Jer- **Cmaj7/** sey **[C7]** girl

**Sha la la la [F] la la la sha la la la la la [C] la la la**

**Sha la la la la [G] la la la sha la la la I'm in C/ love with a Cmaj7/ Jersey [C7] girl**

**Sha la la la [F] la la la sha la la la la la [C] la la la**

**Sha la la la la [G] la la la sha la la la [C]**

**[C]** I see you on the streets and **[F]** you look so tired

I know that job you got leaves you **[C]** uninspired

When I come by to take you **[G]** out to eat

You're lying all dressed up on the **C/** bed baby **Cmaj7/** fast a- **[C7]** sleep

Go **in** the bedroom and put your **[F]** makeup on

We're gonna take that little brat of yours and **[C]** drop her off at your mom's

I know a place where the **[G]** dancing's free

Now baby won't you **C/** come **Cmaj7/** with **[C7]** me

`Cause down the shore every- **[F]** thing's alright

You and your baby on a **[C]** Saturday night

Nothing matters in this **[G]** whole wide world

When you're in love with a **C/** Jer- **Cmaj7/** sey **[C7]** girl

## Old Dan Tucker

[F] [Bb] [C] [F] [F] [Bb] [C] [F]  
[F] Old Dan Tucker was a [Bb] fine old man  
[C] Washed his face in a [F] fryin' pan  
[F] Combed his hair with a [Bb] wagon wheel  
And [C] died with a toothpick [F] in his heel  
[F] **Get out the way, [Bb] Old Dan Tucker**  
[C] **You're too late to [F] get your supper**  
[F] **Get out the way, [Bb] Old Dan Tucker**  
[C] **You're too late to [F] get your supper**

[F] Old Dan Tucker is [Bb] come to town  
[C] Ridin' a billy goat, [F] leadin' a hound  
[F] Hound dog barked and [Bb] billy goat jumped  
[C] Landed Dan Tucker on [F] top of a stump  
[F] **Get out the way, [Bb] Old Dan Tucker**  
[C] **You're too late to [F] get your supper**  
[F] **Get out the way, [Bb] Old Dan Tucker**  
[C] **You're too late to [F] get your supper**

[F] Now Old Dan Tucker sat [Bb] on a truck  
[C] Fell in the fire and [F] kicked up a jump  
[F] A red-hot coal got [Bb] in his shoe  
[C] Oh my Lord how the [F] ashes flew  
[F] **Get out the way, [Bb] Old Dan Tucker**  
[C] **You're too late to [F] get your supper**  
[F] **Get out the way, [Bb] Old Dan Tucker**  
[C] **You're too late to [F] get your supper**

[F] Now Old Dan Tucker is [Bb] come to town  
[C] Swinging the ladies [F] round and round  
[F] First to the right and [Bb] then to the left  
[C] Then to the girl that [F] he loves best

[F] **Get out the way, [Bb] Old Dan Tucker**

[Am] And my clothes don't [Bb] fit me no more

I walked a [C] thousand miles just to slip this skin

The [F] night is falling, I'm lying awake

I can [Am] feel my self fading away

So [F] receive me brother with your fateless kiss or

Will we [Am] leave each other alone like this on the

[A] [A] [A] [A]

It was a [A] teenage wedding, and the old folks wished them well

You could see that Pierre did truly love the mademoui- [E] selle

And now the young monsieur and madame have rung the chapel bell, [E] [E]

The coolerator was crammed with TV dinners and ginger [E] ale,

But when Pierre found work, the little money comin' worked out well [E] [E]

Seven hundred little records, all rock, rhythm and [E] jazz

But when the sun went down, the rapid tempo of the music fell [E] [E]

"C'est la [E7] vie", say the old folks, it goes to show you never can [A] tell [A]

They drove it down to Orleans to celebrate the anni- [E] versary

It was **there** that Pierre was married to the lovely mademoiselle [E] [E]
