I [Bb] love you [F] [Eb] [Eb]
[Bb] Maybe I hang a- [Bb] round here a [Bb] little more than I [F] should
[Ab] We both know I got [Ab] somewhere else to [Eb] go [Eb]
But [Bb] I got somethin' to [Bb] tell you that I [C7] never thought I [C7] would
[Eb] But I believe you [Eb] really ought to [Bb] know [Cm7] [F7] [F7]
I [Bb] love you [F] [Eb] [Eb] I honestly [Bb] love you [Bb]

[Bb] You don't have to [Bb] answer I [Bb] see it in your [F] eyes
[Ab] Maybe, it was better left un- [Eb] said [Eb]
But [Bb] this is pure and [Bb] simple, and [C7] you must real- [C7] ize
That it's [Eb] comin' from my [Eb] heart and not my [Bb] head [Cm7] [F7] [F7]
I [Bb] love you [F] [Eb] [Eb] I honestly [Bb] love you [Bb]
[Eb] I'm not trying to [F] make you feel un- [Dm] comfortable [Gm7]
I'm [Cm7] not trying to make you [F7] anything at [Bb] all [Bb]
But this [Eb] feeling doesn't come along ev'ry day
And you [F] shouldn't blow the chance, when you got the chance to say
I [Bb] love you [F] [Eb] [Eb] I honestly [Bb] love you [Bb]

[B] If we both were [B] born in an- [B] other place and [F#] time
This [A] moment might be [A] ending in a [E] kiss [E]
But [B] there you are with [B] yours and [C#7] here I am with [C#7] mine
So I [E] guess we'll just be [E] leaving it at [B] this [C#7] [E] [E]
I [B] love you [F#] [E] [E] I honestly [B] love you [F#]
[A] [A] I honestly E love you
