[F] [Em7] [Dm7] [C]

[F] I didn't know what [Em7] day it was when you [Dm7] walked into the [C] room

[F] I said hello un- [Em7] noticed, you [Dm7] said goodbye too [C] soon

[F] Breezin' through the [Em7] clientele, spinnin [Dm7] yarns that were so [C] lyrical

[F] I really must con- [Em7] fess right here, that the [Dm7] attraction was purely [C] physical

[F] [Em7] [Dm7] [C]

[F] I took all those [Em7] habits of yours, which in the [Dm7] beginning were hard to ac- [C] cept

[F] Your fashion sense for [Em7] Beardsley prints, I put [Dm7] down up to experi- [C] ence

[F] The big bosomed lady with a [Em7] Dutch accent, who [Dm7] tried to change my, point of [C] view

[F] Her ad-lib lines were [Em7] well rehearsed, but my [Dm7] heart poured out for [C] you [Bb]

[Bb] You're in my [Eb] heart, you're in my [Bb] soul, you'll be my [Eb] breath should I grow [Bb] old

You are my [Eb] lover, you're my best [Bb] friend, you're in my [Eb] soul [Bb]

[F] My love for you is im- [Em7] measurable, my re- [Dm7] spect for you, im- [C] mense

You're [F] ageless, timeless, [Em7] lace and fineness, you're [Dm7] beauty and ele- [C] gance

You're a [F] rhapsody, a [Em7] comedy, you're a [Dm7] symphony and a [C] play

You're [F] every love song [Em7] ever written, but honey [Dm7] what do you see in [C] me? [Bb]

[Bb] You're in my [Eb] heart, you're in my [Bb] soul, you'll be my [Eb] breath should I grow [Bb] old

You are my [Eb] lover, you're my best [Bb] friend, you're in my [Eb] soul [Bb]

[F] You're an essay in glamour, please [Em7] pardon the grammar, but you're [Dm7] every schoolboy's [C] dream

[F] You're Celtic United, but [Em7] baby I've decided, you're the [Dm7] best

team I've ever [C] seen

[F] And there have been, [Em7] many affairs, many [Dm7] times I've thought to [C] leave

But I [F] bite my lip and [Em7] turn around, cause you're the [Dm7] warmest thing I ever [C] found [Bb]

[Bb] You're in my [Eb] heart, you're in my [Bb] soul, you'll be my [Eb] breath should I grow [Bb] old

You are my [Eb] lover, you're my best [Bb] friend, you're in my [Eb] soul

[Bb] You're in my [Eb] heart, you're in my [Bb] soul, you'll be my [Eb] breath should I grow [Bb] old

You are my [Eb] lover, you're my best [Bb] friend, you're in my [Eb] soul [Eb] Bb
